

Groundhog Day Night Hunt

Saturday

February 4, 2017

Hunt begins at 5:30 pm.

Join us for the annual Groundhog Day Night Hunt. The object is simple: figure out where Punxsutawney Phil (a 12" stuffed groundhog doll) is hiding! The first team to find Phil wins - and gets to keep him forever! Where might he be hiding this year??

The hunt begins at Dirty Franks (347 S 13th Street). Teams (of any size) should arrive before 5:30pm (you can start later, but let me know first!). At 5:30, I will give out the instructions and go over the details. Teams travel short distances on foot and visit different establishments to find clues, pickup information and hang out.

As teams gather information, they begin to piece together the location of Phil. The event is designed to last 3-4 hours - by around 9:30pm (but not before) there will be enough information to ferret out Phil, but it generally takes a bit longer. The hunt is officially over when one team locates Phil.

Entry fee: \$25 per person

Required items (per team):

- Pen or pencil
- Black (or dark) Sharpie
- Highlighter

- Flashlight
